Houzz Announces Best Of Houzz 2019 Winners

Awarded by Community of Over 40 Million Monthly Users, Annual BOH Badge Highlights Home Remodeling and Design Professionals with Top Ratings and Most Popular Home Designs

Houzz Inc., the leading platform for home renovation and design, today announced the Houzz community's picks for Best Of Houzz 2019, a homeowner-to-homeowner guide to the top kitchen and bath remodelers, architects, interior designers, landscape pros and other residential remodeling professionals on Houzz from custom cabinet makers to flooring pros and painters.

"Best of Houzz is a true badge of honor as it is awarded by our community of homeowners, those who are hiring design, remodeling and other home improvement professionals for their projects," said Liza Hausman, vice president of Industry Marketing for Houzz. "We are excited to celebrate the 2019 winners chosen by our community as their favorites for home design and customer experience, and to highlight those winners on the Houzz website and app."

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the more than 40 million monthly users on Houzz. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2018. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A "Best Of Houzz 2019" badge appears on winners' profiles to help homeowners identify popular and top-rated home professionals on Houzz locally and around the world. Winners will be announced globally throughout the month.
